Abortion services,
  counselling by nurses, 367
  policies, United States, 1719
Absenteeism, *see also* under types of staff—e.g. Nurses
  Italy, 184
  Norway, 390
Accident hospitals, Birmingham, 453
Accidents, *see also* Safety
  to long-stay patients, 80
  to staff, Denmark, 1190
    Hungary, 1668
    legal liability, 231
Accounting, *see also* Finance
  costs, analysis, Northern Ireland, 852
  electronic data processing, 1013
  inclusion of capital stock, 698
  Norway, 615
  Western Germany, 392, 1174
Accreditation, Hospital Survey Profile, 696
  United States, 578
Activity analysis, Jean-Vernier Hospital, Paris, 534
Administration, *see also* Management; Organization
  bibliography, 1763
  long-stay care compared with acute care, 1711
  Norway, 1442
  problems, Italy, 684
  system oriented labour organization, Hungary, 1603
  troika management system, Denmark, 353
    psychiatric hospitals, 39
  United States, 682
  waste containment committees, 708
  West Germany, 1308
Administrative records, 1162
Administrative staff,
  functions, Italy, 374
  future role, 660
  legal responsibilities, 498
  long-stay hospitals, training, 301
  problems, France, 13
  psychiatric departments, training, 1253
  psychiatric hospitals, evaluation of performance, 10
  relationships with medical staff, 503, 504
  role in control of human experimentation, 545
  training, Canada, 354
    Denmark, 1755
    France, 819
    in planning, 330
    Norway, 1311
    United States, 354
Admissions, *see also* Bed use; Hospital use
  acute, non-essential, 1671
  appendicitis, Wales, 1717
  census prediction, model, 1316
  children, prevention, 1235
  control, Wessex, 889
  departments, functions, 774
  emergency, Southern General Hospital, Glasgow, 916
  information systems, 1367
  policy, Wessex, 889
  psychiatric patients, by social workers, 308
    compulsory, Great Britain, 1885
    procedures, 318
  record taking, for planning patient care, 388
  scheduling, 1356, 1774
  statistics, Jean-Vernier Hospital, Paris, 534
  stroke patients, 1872
  systems, 1777
Adolescents, care, 922
  legal aspects, United States, 781
  psychiatric unit, 1238
  unit, St. Mary's Hospital, Manchester, 131
  walk-in clinics, 1864
Adverse drug reactions, 1688
After-care,
  cancer patients, 462
  hospital assessment of need, 580
  role of volunteers, 1366
Air beds, 345
  exchange through doorways, 6
Air hygiene, 566, *see also* Hygiene; Hospital infection
Air transport *see* Transport
Alarm systems, United States, 1351
Alcoholics
  care, assessment, 1859
  cirrhosis of the liver, treatment costs, 701
  consultation service, by social workers, 1538
  facilities for treatment in Baden-Württemberg, 154
  history taking, electronic data processing, 314
  Hyland Center, St. Anthony's Medical Center, St. Louis, 283
  treatment and rehabilitation, Austria, 1536
  unit, Epsom District Hospital, 909
  unit, Withington Hospital, Manchester, 1378
Ambulance services, 341, 427, *see also* Transport
  cardiac resuscitation services, 1544
  communications equipment, 733
  control, research, 732
  day hospitals and out-patient departments, 1039
  demand, control, 734
  evaluation, 775
  Great Britain, development, 735
  location of stations, operational research, 736
  London, 650
  management, 737
    London, 811
  selection of patients for telemetry, 288
  staff, safety, 91
  telemetry, 287
  use, by patients with myocardial infarction, 1875
  as emergency operating theatres, 292
Ambulatory care, 1861, *see also* Day care; Home care; Out-patient care
  appointments, broken, reduction, 116
  assessment system (ACCESS), 769
  in satellite facilities, 1392
  resources, 1229
  problem oriented medical records, 770
  statistical analysis, 117
  United States, data, 912
Anaesthesia, equipment, anti-static precautions, 416
  equipment centre, design, 899
  hazards of, 1520
  records, electronic data processing, 1784
  training, for dentists, Great Britain, 1883
Anaesthetic gases,
  exposure of dental staff to, 144
  pollution in operating theatres, 1188, 1802
  waste systems, 343
Anaesthetic nurses, 101
Anaesthetists,
  health risks, 1520
  manpower, United States, 750
  obstetric services, use of computer simulation model, 52
  training, 1209
Ancillary staff, recruitment, 971, 1152
  training, 843
  turnover, 1152
Antenatal care, Sighthill Health Centre, Edinburgh, 289
Antibiotics, use in hospital, 588, 901
Appendicitis,
  computer-aided prediction, 938
  rates of admission, Wales, 1717
Appointment(s), broken, reduction, 46, 116, 929
Appointment systems, improvement, 1383
Architecture *see* Design
Archives, Oxfordshire, 529
Asian mothers, survey, Birmingham, 465
Audit, 432, *see also* Medical audit; Nursing audit
  hospital, 433
  psychiatric services, 1259
Australia,
  health maintenance organizations, feasibility of, 705
  health services, 325

Australia, hospital pharmacies, 1839
services, 324
human milk bank, Townsville, North Queensland, 1724
Austria, Carinthia hospitals, electronic data processing, 1323
hospital services, 1426
neuropsychiatry bed needs for children and young people, 921
training in disaster medicine, 1505
Autoclaves,
for mop cleaning, 1803
in microbiology laboratories, performance, 1851
Automation,
in clinical laboratories, 1691
internal transport, 340
laboratory analysis, 444
Auxiliaries *see* Voluntary workers

Bacteraemia, hospital acquired, Johns Hopkins Hospital, 1336
Bacteria, airborne, in operating theatres, effect of ventilation, 75
contamination, in operating suites, 1029
Baden-Württemberg, facilities for treating alcoholics, 154
Baerum Hospital, Norway, planning, 959
Barrier nursing, clothes for, 409
Basel University Hospital, family planning advice, 467
Battered babies *see* Child abuse
Beaune system, of industrialized building, 803
Bed capacity, reduction, United States, 216
Bed centres, 565
Bed head fittings, 653
Bed needs,
determination, 1774
estimation, for sub-specialties, 378
for specialties, use of Hospital Activity Analysis, 866
geriatric services, Scotland, 1707
long-stay, determination, 1317
Massachusetts, 856, 1775
Northern Ireland, 577
respiratory diseases, Paris, estimation methods, 606
United States, 983
